

## **I want to see your baby boy**

I want to see your baby boy, but have no gift for you.

So Mary if your pardon me there's one thing I can do

### **Chorus**

**I'll sing a song a special song written for a king**

**I bring a song a special song I bring a song to sing**

I've never heard of Myrrh before, I don't know where is found.

I haven't any frankincense There is not much gold around

### **Chorus**

I have no words of good advice to help him on his way

but there is one thing I can do upon this special day

### **Chorus**
