Dear Parents

Caribbean Tour - January Update

As the tour edges closer, I am delighted to be able to give you a brief update on the exciting plans that are being put in place. Below is a draft itinerary for the boys' tour. Please do not see this as the finished article as, being in the Caribbean, things can change with little notice! During the tour a definitive plan of each day will be made available the evening before.

As you can see, the boys will be involved in 5 cricket matches and will also get the chance to play football against local teams.

Tour Dinner Attendance and Prizes

You will now have received an invitation for the Parkside Celebration of Sport Evening. As the focus of the fundraising is the tour and supporting the hurricane damaged islands, it would be fantastic if we could have a good turnout from the touring party on this special occasion and I look forward to seeing you there.

We will be holding a live auction on the evening with proceeds going towards the tour and the hurricane damaged islands. If you have any auction prizes or contacts that could provide a prize, please let me know as this would be greatly received.

Final Payments

Please complete all final tour payments by half term (9 February). If you need to know how much your balance is, please let me know as soon as possible.

Many thanks and I will be in contact soon with a kit list and more information about the tour.

Yours sincerely

Alex Gainer
