

## Shepherds Calypso

## Senior Choir

All around was silence on that winters night, where the fire shone bright on the lonely hill.  
Suddenly the angel song came loud and clear and it filled the air with gladness and a great goodwill.

Angel shone with glory, angels sang the story, telling of a baby born in Bethlehem.  
And they wondered at the angel song so loud and clear as it filled the air with gladness and a great goodwill.

### Chorus

Glory to God in heaven. Peace upon the earth to everyone.  
Forever glory to God in heaven. Now and forever more amen.  
Hosanna, we sing hosanna to you and everyone.  
Singing glory to God in heaven. Now and for ever more amen.

So we woke up brothers from a quiet sleep, and we left our sheep on the lonely hill.  
Running to the stable where the stars shone bright on that Christmas night of gladness and of great goodwill.

Angel shone with glory, angels sang the story, telling of a baby born in Bethlehem. And they brought us to the stable where the stars shone bright on that Christmas night of gladness and of great goodwill.
